

# Detector Base Accessories

## Series 200/300

- **Wet base shroud**
- **Surface mounting kit**
- **Detector base adapter**
- **Recessed mounting kit for flush mounting in false ceilings**
- **Detector mounting bracket**

### Wet base shroud

The wet base shroud (fig. A) is used for moist room mounting and accommodates the Detector Bases B524HTR and B524RTE. It is prepared for PG screw connections.

### Specifications

Dimensions $\varnothing \times H$	105 x 70 (mm)
Colour	cream
Weight	100g
Order number	249012
Order name	Wet Base Shroud/SS WB1

### Surface mounting kit

The surface mounting kit (fig. B) is used for surface mounting of the Detector Bases B501, B501DG, B401RM, B524IEFT-1, B524FTXE, B524HTR and B524RTE. It allows to easily insert cable conduits or thick cables and it is prepared for PG screw connections.

### Specifications

Dimensions $\varnothing \times H$	103 x 34 (mm)
Colour	cream
Weight	90g
Order number	246009
Order name	Surface Mounting Kit/SS SMK400

*Building Safety. Building Security.*

## Detector base adapter

The base adapter (fig. C) is a supplement to the Detector Bases B501, B501DG, B401RM, B524IEFT-1, B524HTR and B524RTE and allows to safely cover the mounting area and to compensate an uneven surface.

### Specifications

Dimensions $\varnothing \times H$	103 x 5 (mm)
Colour	cream
Weight	50g
Order number	246006
Order name	Base Adapter/SS MZP500-1

## Recessed mounting kit for flush mounting

The recessed mounting kit (fig. D) is used for flush mounting of the Detector Bases B501, B501DG, B401RM, B524IEFT-1, B524HTR and B524RTE in false ceilings.

### Specifications

Dimensions $\varnothing \times H$	144 x 40 (mm)
Colour	cream
Weight	90g
Order number	246010
Order name	Recessed Mounting Kit/SS RMK400

## Detector mounting bracket

The detector mounting bracket (fig. E) is made of galvanised steel sheet and serves for the lateral mounting of an automatic fire detector, e.g., in false floors, elevator shafts or shelves. The bracket provides all threaded holes needed for easy mounting of a detector base.

### Specifications

Dimensions L x W x H	130 x 120 x 40 (mm)
Weight	225g
Order number	249044
Order name	Detector Mounting Bracket MMW1-1
